Dear Mr. Minton:

On behalf of the Edmondson Westside Sports Analytics Club and all of our contributors listed below, please find attached the Performance Portfolio for Marvin Webster, Edmondson Westside High School alumnus and current nominee to the National Collegiate Basketball Hall of Fame.

The work included here has been compiled by the founding members of the first Sports Analytic Club in Baltimore City Public Schools. Our students, guided by the leadership of all of the contributors, designed and formulated this research project that offered students real world experience in developing their math, reading, research and critical thinking skills.

Thank you for your time and consideration.

Sincerely,

A handwritten signature in black ink that reads "Karl E. Perry". The signature is written in a cursive style.
