Re: Portfolio for induction into the Pro Football Hall of Fame
Submitted by the St. Albans Sports Analytics Club, Washington, DC

Dear Mr. Baker,

On behalf of the St. Albans Sports Analytics Club and the broader St. Albans community, please see the attached portfolio for Brian Mitchell's candidacy for induction into the Pro Football Hall of Fame. Brian Mitchell played for our hometown team, and his NFL career is more than worthy of enshrinement in Canton.

The attached work was completed by members of the St. Albans Sports, Analytics Club with support of the contributors listed below. The members learned firsthand about data research and advanced analytic techniques. Thank you in advance for your time and consideration of their hard work.

Sincerely,

Jason Robinson
Headmaster, St. Albans School
